## Intro

### VERSE 1

We come to You now  
At Your feet we bow  
Trusting in the one  
Who was and is to come

### VERSE 2

We rest in this space, Receiving Your grace  
Expecting you to move, Like you always do

### CHORUS 1

Our God Our King Redeemer of all things  
New life New praise This is our dwelling place

### VERSE 3

Here with You now, We give You our doubts  
We feel you in the room, Our victory's in You

## INSTRUMENTAL

### BRIDGE

We don't have to be afraid  
Cause You conquered sin and grave  
We don't have to be afraid  
Cause You've always made a way

### BRIDGE 2

We don't have to be afraid  
Cause You conquered sin and grave  
We don't have to be afraid  
Cause You've always made a way

## REFRAIN

### CHORUS 2

Our God Our King Redeemer of all things  
New life New praise This is our dwelling place

## REFRAIN

### DOWN VERSE 4

Here with you now, At Your feet we bow  
Expecting You to move, Like You always do
