A Holy King between two thieves
A Father's heart broken in grief
A mothers pain, a son was lost
My debt was paid upon the cross

Death was swallowed by triumphant life
Darkness defeated by eternal light
The battle won, His Kingdom come, We lift our praises high
The King of Heaven and the Earth collide

Wrapped in linen, laid in stone
2 nights of silence all unknown
Jesus rose in victory
forever changed our history
forever changed our history
