Alone in a garden
With the weight of the world
He longed for a new plan
Knowing where it would go

Knelt to the father
Blood on the ground
Asking to take this
He laid His life down

Hallelujah
Our God is alive
Hallelujah
The grave left behind
Hallelujah
He gave us new life
Hallelujah
He's alive

INT

VS3

A crowd full of judges
Sent Him to the cross
Taking His last breath
Death encountered loss

VS4

And two days later
The stone rolled away
Ascended to Heaven
He conquered the grave

BR 1

With scars on His hands
He pulled us from death
We will not resist
We will not go back
There's power in His name
In Jesus we're saved
We will not resist
We will not go back

BR 2

With scars on His hand
He pulled us from death
We will not resist
We will not go back
There's power in His name
In Jesus we're saved
