## INTRO

## VERSE

I'm carrying burdens  
that aren't mine to hold  
I feel all the weight and  
Don't know where to go

## CHORUS 1

You're all I have to hold onto  
Nothing else will do  
Even in the chaos I know I belong to You  
You're all I have to hold onto  
And you'll see me through  
A (2m - 13 - 4 in **FINAL Chorus**)  
In uncertainty I still believe your word is true  
(N.C. **INTO V2**)  
I'm holding onto You

## VERSE 2

I'm giving up control  
it's not mine to hold  
I'll surrender completely  
and let it all go

## INST

## BRIDGE

You are faithful  
Your promise is true  
You are faithful so I'm trusting You  
When I'm drawn to you I see  
You are always there for me  
You are faithful, and I'm holding onto You
