## INTRO

### V1

Who breathed and the mountains shook  
Who spoke and the lame stood  
Whose voice calms the raging sea  
One word turns chaos to peace  
One word turns chaos to peace

### CHORUS

Jesus, No other name  
Would carry my burdens  
And bear all my shame  
Jesus, How can it be  
You laid down Your life for me

### V2

Whose love paid the price for me  
And died for my enemy  
Whose voice called out from the grave  
Whose name has the power to save  
Whose name has the power to save

### BRIDGE

No one like you  
No one like you  
No one like you  
Jesus, my everything

### CHORUS (HITS)

Jesus, No other name  
Would carry my burdens  
And bear all my shame  
Jesus, How can it be  
You laid down Your life for me
