INTRO

VERSE 1
When the waves drown me out
When my mind, it fills with doubt
Will You rescue me?
Will You set me free?

VERSE 2
Even on my darkest day
When my hope begins to fade
Will You rescue me?
Will You set me free?

CHORUS
All my freedom is in You, I'm letting go of all I know
Trusting You to take control
Breaking chains I hold onto, I'm letting go of all I know
God for You and You alone

INSTRUMENTAL

VERSE 3
You've searched and seen me through
You're exchanging old for new
Will You rescue me?

Of my tender longing heart
Will You rescue me?
Will You set me free?

BRIDGE
When I came with all my doubt, When all my fears they drown You out
Still You make a way for me, God Your love it sets me free
When my thoughts are waging war and You seem further than before
Still You make a way for me, God Your love it sets me free
