INTRO

VERSE 1

When the waves break and the seas rage on
When my fear takes over all my thoughts

The storm won't stop my song

VERSE 2

When the earth shakes and the mountains fall
When my pain wakes and my hope is lost
The hurt won't stop my song

CHORUS

I'll shout through all seasons
I'll shout it once more
I'll lift Your name higher, higher than before
If shouting brings answers, I'll shout out Your name

TURN

VERSE 3

When the sun fades and the darkness drowns
When my bones ache and my breath runs out
The grave won't stop my song
