VERSE1

Instead of worry, instead of stress
I choose to trust you, you know best
You are faithful, You are good

Instead of living by what I'm feeling
I choose the words You've given me
You're the only one I need

CHORUS

Your ways are higher than the stars I can see
Your ways are better than my wildest dreams
You are woven through it all
It's a story of Your love

Your ways are deeper than the depths of the sea
Your ways are greater than my iniquities
You are woven through it all
It's a story of Your love

VERSE2

In times of sorrow in times of doubt
I choose Your presence here and now
You are faithful and you are good

In times of rushing to the next thing
I choose Your patience to guide me
You're the only one I need

INST

BRIDGE

It's Your forgiveness, your grace and Mercy
We don't deserve it, but you give it freely
Because of Jesus We receive healing
We don't deserve it, but You give it freely

BRIDGE2

Here in Your presence, we see You moving
We don't deserve it, but You give it freely
The power of Your Name, is everything we need
You deserve all praise, so we give it freely

INST (INTO FINAL CHORUS)
